STANDARD OPERATING PROCEDURE (SOP)**

Date: 8.30 – 12, Thursday 25th August 2016

Venue: “Yumi Go Haos” Conference Room

Dear FSAC Member

The FSAC will meet on Thursday morning from 8.30am to 12 noon to contribute to the development of the Standard Operating Procedure (SOP) for Food Security, to be consultatively developed with sector stakeholders.

Your input and comments will provide valuable guidance to the creation of a document the development of which will be a Pacific benchmark.

Howard Aru, Director General of MALFFB, and Shadrack Welegtabit Director NDMO have requested this SOP be Ministry wide in application and multi-hazard in approach.

This success of this exciting development depends on your attendance to contribute your expertise, experience in the sector.

Please refer to the attached Agenda for the morning's planned proceedings. Please note this Agenda is a draft and may be revised to accommodate emerging issues.

Yours sincerely

Joshua Mael
Coordinator (RRU)
