

PACIFIC ECOSYSTEM-BASED ADAPTATION TO CLIMATE CHANGE.

Port Vila Options and Implementation

Stakeholder workshop

13 June 2017

SPREP
Secretariat of the Pacific Regional
Environment Programme

You are invited to attend a stakeholder workshop on the 13th June 2017. The purpose of the workshop is to provide feedback to the stakeholders on the recent Ecosystem and Socio-economic Resilience Analysis and Mapping process done for Port Vila, and then to workshop Ecosystem-based Adaptation implementation options in the Greater Port Vila region.

Through funding from the German Government and SPREP management, this process was started by the Royal Melbourne Institute of Technology who undertook detailed community consultation and is now being completed by Victoria University, Wellington, New Zealand.
