VACANCY NOTICE

Climate change / mitigation program officer

The Vanuatu Red Cross Society, working jointly with the support of the French Red Cross, is seeking applications from dynamic and highly motivated persons to immediately fill up the following position as part of its VRCS management team.

Job location: VRCS headquarters in Port-Vila

Applicants are required to demonstrate the following:

- 1 to 3 years' experience of program coordination/project management in the field of community based natural disaster risk reduction (CBDRR) and/or climate change adaptation (CCA)
- Excellent communication, drafting and presentation skills
- Team/Human Resource management, training and facilitation skills
- Excellent interpersonal skills, good records with the DRR and CCA key national institutions
- Interest in sharing professional skills as well as learning from others
- Demonstrate experience and competencies in at least two (2) of the following sectors: (i) Program coordination, particularly in humanitarian field; (ii) Disaster risk reduction activities/Climate Change; (iii) Environmental/Natural Resource Management; (iv) Community based program; (v)Capacity building/training; (vi) Monitoring and evaluation of project.
- University graduate in one of these sectors or field related will be an asset
- analytical and communication skills, including excellent oral and written communication, drafting and presentation skills
- Ability and flexibility to travel regularly, particularly in the Torba province, will be expected to spend several stays of few weeks in the islands.
- Excellent computer skills (Internet, Word, Excel, PowerPoint, Outlook)
- English and/or French required

Interested candidates are invited to pick up a more detailed Job description of this position at Vanuatu Red Cross Office (located at Vanuatu Red Cross Headquarters), or send request by mail to: wash-rehab-van.frc@croix-rouge.fr
